

Horses with  
H.E.A.R.T.  
makes it possible!

I Support  
Horses  
with H.E.A.R.T.

Your lasting memorial to a loved one will honor them for generations to come as well as beautify our Horses with H.E.A.R.T. permanent home, where disabilities become possibilities. These possibilities include an autistic child unclenching his fist for the first time in order to pet his horse; a paraplegic who is finally able to hoist herself onto a horse; and a non-verbal child talking for the first time - giving his horse the command to "walk-on", a Senior riding for the first time or a returning Warrior in our Heroes & Horses program regaining the ability to live a full life.

These are profound moments all caused by the therapeutic relationship between the horse and rider. Horses with H.E.A.R.T. has been serving our community for over 18 years with dedicated and highly trained instructors and hundreds of volunteers partnering to enhance the lives of our riders, families and our community.
