## ABOUT US

Horses with H.E.A.R.T. (Hands-on Equine Assisted Riding Therapy) has been serving the quad-city special needs community since 1993. Literally and figuratively, the riders are given the reins…and a new outlook on their lives. We have riders from the age of two up to 80 with all types of physical, mental and emotional needs. From March through October, we offer individual/group riding lessons, a Special Olympics Equestrian Team, Ranch Tours and Summer Horse Experiences. We help over 200 disabled adults and children annually.

## FUNDRAISING

Our nonprofit does not receive any government funding, nor are we a membership organization. We depend on the generosity of our community, corporations and individuals for financial support. Funds raised at our Ride-A-Thon support our therapeutic equestrian programs. This year is especially critical as we are in the middle of a capital campaign to help find and establish a new home to call our own.

## HOW YOU CAN HELP

Ask your friends, family, co-workers, and neighbors, to sponsor you with a tax deductible donation. Thank you for your support & let's ride!
